

COLLEGE

Sophomore Checklist

- Declare a major. Consider adding a minor if eligible.
- Review your degree audit.
- Meet with your advisor once a semester to plan courses based on your goals.
- Apply for scholarships.
- Cultivate relationships with faculty, deans, and administrators. You may need letters of recommendation in the future.
- Join campus organizations and/or intramural sports.
- Explore Academic Advising, Counseling Services, and Career Services on campus.
- Explore experiential learning programs, like studying abroad and internships. Create a profile on your school's job board.
- Make time for you.
- Stay healthy/eat right.
- Budget your money.
